9. Satyendra Nath Mukerjee, Sub-Inspector of Police, Calcutta.

On the 4th April 1926 this officer whilst on *hulla* duty learnt that rioting was going on in Colootolla Street in his section. He proceeded immediately to the scene of occurrence and found that a man had been killed on the street and that the murderer, a local goonda of repute, had absconded. He proceeded to trace the murderer, and came across him leading and inciting a large mob 1½ hours later in Harinbari Lane. He immediately closed with the murderer, who was armed with a bloodstained chopper with which it was subsequently ascertained that he had committed the murder. The Sub-Inspector had with him only three constables, and desperate attempts were made by the murderer to free himself. The Sub-Inspector held on till re-inforcements came up and eventually removed the murderer to Police Headquarters. The murderer was subsequently found guilty and sentenced to death by the High Court. This Sub-Inspector ran great personal risk and displayed great courage and devotion to duty in arresting this desperado from amid an excited mob.

This officer was also responsible for the discovery of property looted and for the arrest of the accused in a communal dacoity which occurred during the riots on the 2nd April in which the accused were subsequently convicted by the High Court. He has also taken a prominent part in suppressing the cocaine traffic and gambling in his section and in arresting smugglers.

10. Robin Neil, Sergeant, Calcutta Police.

On the 3rd April 1926 during the communal riots in Calcutta whilst on duty in Chitpur Road this officer was confronted by a large crowd immediately south of his beat. A private motor car which was passing was attacked by a hooligan who dashed out of the crowd and deliberately broke the wind screen with a *lathi* and wounded the driver. Sergeant Neil immediately pursued the man and arrested him in face of a threatening crowd. The same day whilst on rounds on his motor cycle Sergeant Neil found a big burly Muhammadan committing a murderous assault on a Hindu in Mechua Bazar Street. Sergeant Neil pursued the Muhammadan, chased him into a dwelling house, arrested him, made him get into his side car and took him to Sukea Street Police Station. They were attacked by a mob the whole way down Mechua Bazar Street. His action on this occasion undoubtedly saved the Hindu's life. In addition whilst on patrol work with his cycle he broke up and dispersed several unlawful crowds.

- | Name of officer and rank. | Statement of services for which in particular the decoration has been conferred. |
|--|---|
| 11. George John Adamson, Sergeant, Calcutta Police. | On the 25th April 1926 during the second phase of the April riots in Calcutta this Sergeant was in charge of an armoured car in Beadon Street. He encountered a large hostile crowd which attacked the car. He left the car in company with one of the crew and dispersed the crowd at the point of his revolver after firing one shot. On the 27th April whilst again in charge of an armoured car in Mechua Bazar he encountered one of the worst mobs in the city and on this occasion displayed very great qualities of initiative and control. The mob had just murdered a police officer and were looting and murdering in the locality. Sergeant Adamson fired a warning shot from the armoured car and then ordered two bursts of controlled machine gun fire. This had the desired effect and was sufficient to disperse one of the most dangerous mobs dealt with during the riots. Sergeant Adamson displayed very great gallantry and very high qualities of leadership on both the occasions referred to. |
| 12. David Fisher, Assistant Commissioner of Police, Calcutta. | Mr. Fisher joined the Calcutta Police as an Inspector in 1908, and was promoted to the rank of Assistant Commissioner in November 1918. He remained in charge of the Police Training College until March 1920 when he took charge of the headquarters for a year. He has been permanent Assistant Commissioner at headquarters since 1923. During the whole of the non-co-operation movement in 1921 Mr. Fisher performed meritorious service in dealing with the non-co-operation campaign and displayed qualities of tact, patience and organisation. He has been responsible during the last three years for the discipline and order of the headquarters force, including the European Sergeants. This has been carried out by Mr. Fisher with conspicuous success. In connection with the two outbreaks of rioting in April 1926 Mr. Fisher again displayed a very high capacity for organisation and initiative. He participated in the worst of the riots and on all occasions led his men with conspicuous gallantry and success. In addition the manner in which he distributed and controlled his forces during the riots called for the highest praise. His services during this whole period were invaluable and were characterised by extreme patience, foresight and endurance. He has shown great devotion to duty and administrative ability. |
| 13. Frank Austin Tucker, Station Officer, Calcutta Fire Brigade. | Mr. Tucker joined the Calcutta Police in 1912, and in the following year his services were transferred to the Calcutta Fire Brigade, where he has risen to the position of Station Officer. He is in charge of one of the most important fire stations, which he has administered in an extremely able manner. He did exceptionally good work during the fire which occurred at Writers' Buildings in 1921, for which he was rewarded.
During the Calcutta riots in April 1926 the brunt of extinguishing the fires fell to his lot: he attended the majority of the calls, and showed conspicuous ability in dealing with an unprecedented situation. In a great measure it was due to him that, in spite of the incendiarism indulged in by the rioters, no lives were lost and that the fires were confined to the premises of origin. During the riots he rescued, and safely delivered to the Postmaster-General mail bags which were being ransacked by the rioters in a mail van the driver of which had been murdered. He was also responsible for the rescue of an Indian mail van attendant from an assault by the rioters, and had him conveyed to hospital. Throughout his service he has shown great devotion to duty, often at considerable personal risk, and on more than one occasion he has received serious injuries at fires. |

Name.	Constituency.
Mr. Yacoob Cassim Ariff	... Calcutta and Suburbs (Muhammadan Urban).

The 26th January 1927.

No. F.-3-II/27-A. C. (II).—In pursuance of the provisions of sub-rule (2) of rule 26 of the Council of State Electoral Rules, the Governor General is pleased to nominate Sir Bijay Chand Mahtab, G.C.I.E., K.C.S.I., I.O.M., Maharajadhiraja of Burdwan, being a non-official, to be a Member of the said Council of State.

No. F.-8-IV/26-C.—Whereas the validity of the election of the Honourable Kumar Sankar Roy Choudhuri by the East Bengal (Non-Muhammadan) Constituency as a Member of the Council of State has been brought in question by an election petition duly presented by Pandit Santi Shekhareswar Roy, under the provisions of Part VII of the Council of State Electoral Rules; and whereas in accordance with the provisions of rule 45 of the said Electoral Rules the Commissioners appointed for the trial of the said petition have duly submitted their Report to the Governor General: now, therefore, in pursuance of sub-rule (3) of rule 45 of the Council of State Electoral Rules and in accordance with the Report of the Commissioners, the Governor General is pleased hereby—

- (1) to declare that the said Honourable Kumar Sankar Roy Choudhuri was duly elected.
- (2) to direct that the said petitioner shall pay to the Honourable Kumar Sankar Roy Choudhuri the sum of two hundred and fifty rupees as costs, and
- (3) to publish the said Report.

REPORT.

This election petition has been presented by Pandit Santi Shekhareswar Roy, a candidate, for election to the Council of State from the East Bengal Non-Muhammadan Constituency, at the bye-election held in July-August, 1926.

He challenges the election of the successful candidate, Kumar Sankar Roy Chowdhry, on the following grounds:—

(1) That the nomination paper of this candidate was improperly accepted by the Returning Officer, as it was not duly completed in the form prescribed in Schedule III of the Council of State Electoral Rules.

(2) That it was improperly accepted because the name of the said returned candidate was registered on the electoral rolls of two constituencies, in contravention of rule 7 (1), proviso 3 of the Council of State Electoral Rules.

(3) That the publication, by the returned candidate, of a circular letter to the electors immediately before the election, amounted to a corrupt practice within the meaning of rule 4 of Schedule V, Part I of the Electoral Rules.

(4) That the nomination papers of another unsuccessful candidate, Rai Bahadur Keshab Chandra Banerji, were improperly accepted by the Returning Officer, as two of them were incorrect in form, while the third had been signed by the candidate some days before it was subscribed by his proposer and seconder.

On these grounds the petitioner claims that the election of the successful candidate, Kumar Sankar Roy Chowdhry, should be declared invalid and that the petitioner himself should be declared duly elected on the ground that he obtained more votes than any other candidate whose nomination was valid.

The successful candidate is the only respondent who has appeared.

On his behalf a preliminary objection was taken that the Commissioners had no jurisdiction to enquire into the merits of the case, because the original petition to His Excellency the Governor General was not properly verified in accordance with Or. VI, rule 15 of the Civil Procedure Code.

We hold that there is no substance in this contention.

Meticulous application of the provisions of the Code is nowhere prescribed in the election rules relating to the trial of petitions. In any event, we hold, in accordance with the view taken by other similar tribunals dealing with election cases, that we are not competent to go behind our appointment as Commissioners for the trial of this petition, or to enquire into the question of proper presentation. This objection is accordingly disallowed.

The next question for consideration is whether the nomination paper of the returned candidate, the respondent here, was improperly accepted by the Returning Officer on the ground that it was not duly completed.

The paper shows the name of the constituency to be "East Bengal Non-Muhammadan Constituency of the Council of State".

Opposite the heading "Constituency on the electoral roll of which the candidate is registered as an elector", is the entry "East Bengal Non-Muhammadan Constituency of the Council of State, Dacca District".

It is urged that the addition of the words "Dacca District" to the official designation of the constituency invalidates the nomination paper. We do not accept this contention. There is no misdescription of the constituency. There is no possibility of mistake arising from the addition of the words in question, which appear at the head of the Electoral Roll containing the name of the Respondent himself. The variation was trivial and immaterial.

We have next to consider whether the admitted fact that the name of the successful candidate, Kumar Sankar Roy Chowdhry, appears on the electoral rolls of both East

and West Bengal Non-Muhammadan constituencies invalidates his election to represent the East Bengal constituency.

It has been most strenuously contended that in view of the proviso to rule 7 of the Election Rules, which lays down that no person shall be entitled to have his name registered on the electoral roll of more than one general constituency, his nomination paper should have been rejected, and that he could neither vote nor stand in either constituency.

The issue actually framed on this point was whether his nomination paper was improperly accepted because his name appeared on two electoral rolls.

Now the reasons which justify the rejection of a nomination paper by the Returning Officer are given in rule 20 of the Council of State Electoral Regulations. There is no reference in this rule to any disability arising from an entry of the name of the candidate in two electoral rolls. It is to the effect that the production of any certified copy of an entry made in the electoral roll of any constituency shall be conclusive proof of the right of the elector named to stand for election unless it is proved that he is disqualified under rule 4 or rule 5 of the Election Rules or that his proposer or seconder is disqualified.

It is not contended here that Kumar Sankar, his proposer or his seconder, were disqualified under any of the rules referred to, and it would therefore appear that the production of the Electoral Roll containing his name precluded the Returning Officer from rejecting his nomination.

We are further of opinion that on broad general grounds, the contention of the petitioner on this point is unsound.

He asserts that the Respondent is disqualified as a candidate because his name appears on two electoral rolls.

The qualifications of elected members, or, more correctly speaking, the circumstances which render them ineligible for election, are stated in Part II of the Council of State Election Rules. There is no mention in this part of any disqualification arising from registration in more than one constituency.

Part III, which contains the proviso that no person shall be entitled to have his name registered in more than one constituency, deals with the Electoral Roll and the qualifications of voters. Rule 10 of that part provides that no person shall vote at any general election in more than one general constituency. It says further that if any person is proved to have voted in contravention of the above rule, his vote shall be void.

These rules must, we think, be taken to contemplate the possibility of error in the preparation of the Electoral Roll, a duty performed by a registering authority appointed by the Local Government, and not by the voters.

We cannot see that any disability attaches to a voter merely because of an error in the rolls. If he takes advantage of the error to vote at a general election in more than one general constituency, he is penalized to the extent that his vote is void.

In the present case, the election was a bye-election, and it is not alleged in the petition that the candidate voted. Had he voted, rule 10 would not apply.

We are therefore clearly of opinion that there is nothing in the Electoral Rules to warrant the finding that because the name of this Respondent appears on the electoral rolls of two constituencies, he is disqualified as a candidate at a bye-election in one of them. No such provision exists in the rules, and we can find no justification for an attempt to read it into the rules.

We accordingly hold that his nomination was not improperly accepted on this ground, and that his election was not invalid.

We have then to consider the allegation of corrupt practice.

The Respondent, before the election, issued a circular letter to the electors which contained the following statement:—

"During the last election, when the late Deshbandhu C. R. Das wanted somebody to keep a seat safe for him in the Legislative Assembly so that he might go there later on, I offered myself temporarily for the seat, to which I was elected by the kindness of my constituents, and I continued there only because Deshbandhu later on decided to go to the Bengal Council. So long as I was in the Assembly as a representative of the Rajshahi and Chittagong Divisions I looked after the interests of my constituency as best I could".

This statement is said to constitute a corrupt practice within the meaning of rule 4 of Schedule V of the Election Rules.

The definition of a corrupt practice there given is the publication by a candidate of any statement of fact which is false and which he believes to be false or does not believe to be true in relation to the conduct of any candidate which statement is reasonably calculated to prejudice the prospects of such candidate's election.

It was most ingeniously argued that the words "any candidate" include the candidate making the statement, and that the word "prejudice" must be taken to connote the exercise of a favourable as well as an unfavourable influence.

Then it was said that the letter itself implied that Kumar Sankar had resigned his seat in the Assembly, which was untrue, and that he made this statement with a view to influence the electors to send him to the Council of State.

The plain meaning of the words used in the letter is that Kumar Sankar, after his election to the Assembly, was prepared at any time to resign his seat if required to make

room for his leader, but that while he actually sat, he furthered the interests of his constituents to the best of his ability.

No attempt has been made to challenge either statement, and we accept them both.

We can discover no implication in their language that the Respondent resigned his seat. His evidence is that he walked out of the Assembly with the other members of the Swaraj Party on the 8th March, 1926, and did not return after that date.

Lastly, we are of opinion that the interpretation sought to be given to the language of rule 4, Schedule V of the Electoral Rules, is not warranted.

We accordingly hold that there was no corrupt practice committed by the Respondent, Kumar Sankar Roy Chowdhry. It follows that his election was valid.

In view of this finding, it is unnecessary to examine closely the contention raised with regard to the nomination of the defeated candidate, Rai Bahadur Keshab Chandra Banerji.

We may however say that while one of his three nomination papers was invalid because the candidate accepted the proposal before it was made, we think the defects in the others were formal and not material, and should be condoned.

Moreover, there is no averment in the petition, and no evidence on record, to suggest that the result of the election would have been materially affected by the rejection of the nomination papers of this candidate.

We accordingly find that the Respondent, Kumar Sankar Roy Chowdhry, was duly elected to the Council of State.

We recommend that the petition of Pandit Santi Shekhareswar Roy should be dismissed, and that he do pay the costs of the Respondent, which we assess at Rs. 250.

When any tenement, the annual value of which has been thus separately recorded, has remained vacant and unproductive of rent for any period exceeding sixty consecutive days during the season commencing on the 1st April and ending on the 30th September, in any year, such portion of the full tax payable in respect of that year on the whole building shall be remitted or refunded as would have been remitted or refunded if the tenement had been separately assessed.

RESOLUTION.

Simla, the 25th April 1927.

Rules for the examination of candidates for admission to the Indian Audit and Accounts Service, the Military Accounts Department and the Imperial Customs Service.

No. F.-35/I./F.E.—In supersession of this Department Resolution No. 1725-F.E., dated the 23rd August 1922, as subsequently amended, the following revised rules, which are liable to alteration from year to year, are prescribed for the examination of candidates in India for admission to the Indian Audit and Accounts Service, the Military Accounts Department and the Imperial Customs Service :—

1. A competitive examination for admission to the Indian Audit and Accounts Service, the Military Accounts Department and the Imperial Customs Service shall be held in India at such time as the Governor-General in Council may direct.

2. The maximum number of candidates to be admitted to the examination may, at the discretion of the Governor-General in Council, be limited to such number, not being less than 200, as the Governor-General in Council may decide. If the number of candidates exceeds that limit, the Public Service Commission shall select from among the applicants those who shall be admitted to the examination, having regard to the suitability of the applicants for the services in question.

3. (i) A candidate shall apply to be admitted to the examination before such date, and in such form, as the Governor-General in Council may prescribe.

(ii) If the candidate is employed at the date of his application in Government service he shall make application through the head of his Department to the Local Government if he is employed by the Local Government, or to the Government of India if he is employed in a department under the control of the Government of India.

(iii) If he is not in such service, he shall apply to the authority of the area in which his parents reside at the time of the application or have previously resided for a period of not less than three years, or in which he has himself resided (otherwise than as a student at a University only) for the like period.

The authority of the area to whom application shall be made, shall, if the application is based on residence in a Governor's province, be the Local Government of that province; if it is based on residence in Coorg, the North-West Frontier Province, Delhi or Ajmer-Merwara, be the Chief Commissioner concerned, and, if it is based on residence in a State in India, be the Political Officer or Agent through the Durbar.

(iv) No candidate shall make more than one application in any year.

(v) Candidates whose names are already on the register of the Government of India kept under the Indian Audit and Accounts Service Examination Rules published with the Finance Department Resolution No. 1725-F.E., dated the 23rd August 1922, will be admitted to the examination provided that their names are still on the register, that they are otherwise qualified and that they pay the fees prescribed by these rules.

(vi) Candidates who have already applied to a Local Government since the first day of November 1926 to have their names entered on the register, are not required to make any further application but they should inform the Secretary to the Public Service Commission that they have so applied.

4. A candidate must be a male who is either (i) a British subject of Indian domicile, who was, and whose father and mother were, born within His Majesty's dominions and allegiance, or (ii) a British subject of Indian domicile whose father was at the time of the candidate's birth and still is (or if dead, continued until his death to be) a British subject or a subject of a State in India, or (iii) a ruler or a subject of a State in India in respect of whom the Governor-General in Council has made a declaration under section 96-A of the Government of India Act.

5. A candidate must have attained the age of 22 and must not have attained the age of 25 on the 1st day of August in the year in which the examination is held, provided that a candidate, over the age of 25 and under the age of 30 on that date, may be admitted to the examination, (a) if he holds a substantive post under Government and (b) if he is recommended by the head of his Department.

6. A candidate must be in good mental and bodily health and free from any physical defect likely to interfere with the efficient discharge of his duties and a candidate who is found, after examination by a Medical Board, not to satisfy these requirements, will not be accepted for admission to the examination.

7. A candidate must satisfy the Governor-General in Council that his character is such as to qualify him for employment in the public service. No candidate who is in the employment of Government will be admitted to the examination unless the report from the head of his Department as to his character and attainments is satisfactory.

8. A candidate must hold a Degree of a University approved by the Governor-General in Council or the Senior Diploma of the Mayo College, Ajmere.*

9. No candidate shall be admitted to the examination unless he holds a certificate given by the Public Service Commission of having been accepted for admission.

10. Candidates must pay the following fees:—

1. Rupees 5 with the application form;
2. Rupees 16 for the examination by a Medical Board, and

12. A candidate who takes Physics or Chemistry as an optional subject must have undergone one year's laboratory training in an institution authorised to prepare candidates in that subject for a University Degree and must send in a voucher to that effect from the head of the institution.

13. If a candidate's handwriting is not easily legible, a deduction, which may be of considerable amount, will be made on this account from the total marks otherwise accruing to him.

14. A list of competitors shall be made out in order of their proficiency as disclosed by the aggregate marks finally awarded to each competitor and in that order so many competitors up to the determined number of appointments as are found by the Public Service Commission to be qualified by examination, shall be designated to be selected candidates, provided that the Governor-General in Council is satisfied that the candidate is duly qualified in other respects. Should any selected candidate become disqualified the candidate next in order of merit and in other respects duly qualified shall be deemed to be a selected candidate.
